**The reason for prefixing spiritual titles before the Names of Mrs Binda Singbal and Mrs Anjali Gadgil, who are the spiritual successors to Paratpar Guru (Dr) Athavale**

Saptarshis guide Sanatan Sanstha through the medium of Nadipattis reading (Nadi-astrology). On 13.5.2020, Saptarshis said - 'Henceforth, you must address Sadguru (Mrs) Binda Singbal as Shrisatshakti (Mrs) Binda Singbal and Sadguru (Mrs) Anjali Gadgil as Shrichitshakti (Mrs) Anjali Gadgil. It is because through these Names they will obtain the Goddess Principle; so also, those who address them in this manner will benefit'. As per the instructions of the Saptarshis, we have begun addressing both the Sadgurus accordingly. About addressing them in this manner, Paratpar Guru (Dr) Athavale said, "Shrisatshakti is associated with God's eternal form; whereas, Shrichitshakti is associated with God's universal knowledge".

### Preface

While we benefit by having a *sāttvik* (Spiritually pure) diet, we have to face harmful effects if we have a diet that is not *sāttvik*. The earlier generations were physically healthy even at the age of 80-90 years. Their eyes, teeth and other organs used to function well till the very end of their lives. The earlier generations did not have to battle disorders such as indigestion, acidity, constipation, etc. However, today in the name of 'Green Revolution', chemical fertilizers are used; chemical insecticides are sprayed on fruits, vegetables, fodder, etc. As a result, many items such as grains, fruits, vegetables, milk, etc. have become toxic. Can such a diet ever be *sāttvik* ? Can we remain healthy by having such a diet ? This Text highlights the harmful effects of a toxic diet and suggests remedies.

Today, the inclination to drink alcohol has also increased. In fact, alcohol is not a 'food' item. Despite this, alcohol is consumed before meals and at other times too. This Text highlights the harmful effects of alcohol; a picture based on subtle knowledge has also been given to emphasise this point.

Negative energies also try to cause distress to people through the medium of diet. This Spiritual text also mentions what precautions should be taken to prevent such distress.

We pray at the Holy feet of Shrī Guru - 'May everyone understand the harmful effects of a diet that is not *sāttvik*, may all have only *sāttvik* food items and may their physical, psychological and spiritual health be sound'. - **Compiler**
