卐 ————— Preface ————— 卐

Whatever little knowledge most people have about God is usually through stories read or heard during their childhood. Due to such little information about a Deity, their belief in the Deity is very unsteady. Information enhances belief. With time, this belief transforms into faith. As a result, there is qualitative improvement in the worship as well as spiritual practice. Therefore, we have provided useful spiritual information in this booklet on Deity Māruti that is not available elsewhere.

We pray unto the Holy feet of Shrī Guru that may each reader get increasingly inspired to perform spiritual practice upon reading this booklet. - **Compilers**
