Since the mission of Paratpar Guru (Dr) Athavale is vast, there may be a slight delay in publishing each Holy text in the series 'Unique mission of Paratpar Guru (Dr) Athavale', but this particular Holy text will summarise the comprehensiveness of His mission. It is actually impossible for one individual to carry out such an expansive mission in a short time. This Holy text will bring forth the extraordinary nature of Paratpar Guru (Dr) Athavale and the acceptance of His authority in the spiritual realm by everyone. Through this Holy text, those interested in Spirituality and researchers will obtain another perspective of looking at the spiritual world. Those working in the interests of different sects, Nations and religions will also receive inspiration and a direction to work in their respective fields. This Holy text will also help Saints, sectarians, patriots, the righteous, devout Hindus and social workers in their respective tasks with systematic and planned organisation. Besides, as per their temperament, they will be able to contribute towards this cause as their spiritual practice. In this way, the mission of reinstatement of *Dharma* and establishment of the 'Hindu Nation' will gain strength.
