Preface

Shrī Saraswatīdēvī is the Deity of Knowledge and Arts. Her worship makes the devotee's intellect *sāttvik* (Spiritually pure), which in turn helps the devotee master different types of Knowledge and Arts. Many people know about Shrī Saraswatīdēvī from the stories they have heard in their childhood. Upon obtaining in-depth knowledge about the Goddess, the spiritual practice of the worshipper also gets enhanced.

For this reason, the information on Shrī Saraswatīdēvī generally not found elsewhere, but useful as per the science of Spirituality has been provided in this Booklet. Most of the information is Divine knowledge received from God, but information from other Texts is also included to make the subject complete.

We pray at Shrī Guru's Holy feet that after reading this Booklet, may everyone be inspired to perform more spiritual practice. - **Compiler**
