## An invaluable gift to parents to free them from all worries about their child's upbringing

Clay can be easily moulded into a pot in the hands of a potter and if it is moulded properly then the pot will retain its shape. However, once it is baked then we will be unable to change its shape. Dear parents ! This same rule applies to your child as well. It is difficult to impart good *sanskars* (Subconscious impressions) on a grownup. However, a child's mind is more receptive hence, it is easier for them to inculcate good *sanskars*.

However, taking time from our busy schedule of work and to make efforts to keep children away from temptations such as television, cricket etc. and inculcate good *sanskars* in them, is a question that worries most parents today. The '*Sanskar*' text series of Sanatan Sanstha provides a solution to this problem. This particular text from the '*Sanskar*' series is an invaluable treasure that will make the life of your child ideal and blissful.

Every point in every Holy text of the '*Sanskar*' series is the seed of a good *sanskar*; hence, parents must make their children read these Holy texts. Discuss the points in these Holy texts with your child and advise the child to re-read them. Make your child practice the acts mentioned in these Holy texts. Children love to emulate, hence, set an ideal for them through your conduct and thoughts. This is our sincere request to all parents. - **Compilers**

Dear children ! You read monthly magazines or stories such as 'Cinderella', 'Jack and the Beanstalk', and watch cartoons on TV. These programmes entertain you but do not help you in inculcating virtues. It is important to inculcate virtues as it makes our life ideal. The stories in this text will not only entertain you, but will also teach you how to lead a virtuous life, as you will obtain knowledge on moral conduct, spiritual practice, love for *Dharma* (Righteousness), love for our culture, devotion for the Nation etc.

Dear children ! You should make efforts to practice the morals of these stories in your daily life. After reading the stories of revolutionaries who have sacrificed their lives for the freedom of the country, your love for the country should increase and you should also perform deeds for the welfare of the country; for example - you should not allow anyone to disrespect our National Flag. Zoravar Singh and Fateh Singh accepted death but did not convert from Hindu *Dharma*. After reading their story, your pride for *Dharma* should increase. Abide by *Dharma* daily and protest against the denigration of Deities. After completely reading this text, re-read the stories during your holidays or during festivals, vacations and contemplate over the stories. You should also attend '*Sanskarvarga*' to understand how to lead a virtuous life and read Sanatan's Holy text series on '*Balsanskar*'.

We pray unto the Holy feet of the Guru that - 'On understanding the morals of these stories, may all become patriots and increase their love for *Dharma*'. - **Compilers**
